

## □ CHILD

### ACRO

Acro is a form of dance that combines the power and flexibility of gymnastics & the grace of modern jazz. Stretching & creative movement will be incorporated into the class. NOTE: No shoes are required, only bare feet.

### BALLET

Twirl and plié your way through this class that teaches the fundamentals of ballet in a fun and encouraging environment. Participants are encouraged to complete level one before entering into to level two. Ballet shoes required.

### CLAY AND SCULPTURE

Welcome to the world of three dimensional art. Classes will focus on sculpture creation from a variety of media including clay, recycled material, paper and so much more!

### CRAZY CREATIVE CRAFTS

Creativity is the name of the game in this crafty program for kids. Each session will introduce participants to new projects using a variety of materials, including modeling clay, papers, paints, beads etc. Most supplies will be provided. Participants will require a smock each week.

### DRAMA CLUB

Lights, Camera, Action! This fun filled program will be action packed with drama games, scripts, voice projection and staging. Build on your new found theatrical skills as we work toward a final performance welcoming family and friends.

### DRUMMING FOR KIDS

This interactive drumming program will harness each child's creativity and individuality in a safe, supportive, and encouraging environment. Participants will play a variety of African Hand Drums and World Percussion Instruments, exploring and expressing rhythm through body percussion, voice, and music. No previous musical experience is necessary to participate.

## HIP HOP

Boys and girls will love this fun, energetic dance class that will teach rhythm, musicality, coordination, and age-appropriate choreography with no suggestive lyrics or movement. A progression based choreography will lead to a final performance for friends and family.

## JAZZ

Broaden your dance skills and come out to this progressive jazz program, designed to teach the fundamentals of jazz. Participants are encouraged to complete level one before entering into to level two.

## KIDS IN THE KITCHEN (KITK)

Children enjoy being creative & cooking classes are a wonderful way to express that creative side with a tasty reward. Each child will receive their own recipe book to take home and should bring measuring spoons an cup, an apron and dish towel. See the chart for the focus of each session.

## PAINT & DRAW

This class will introduce the elements of colour and design building knowledge and exploring watercolour and acrylics. At the end of the session parents will be invited to view work in a mini art show.

## SEWING FOR KIDS (BEGINNER)

Sewing can be learned at any age. Choose a fabric, work from a pattern and produce something you really like. Bring your own sewing machine (limited machines are available) Instructor will contact participants to confirm. A \$13 material fee in addition to registration fee will be collected on the first day.

## TOTAL DANCE REVOLUTION

Hip Hop, Jazz and Modern all in one class. Each week we will work towards our final dance performance. Learning popular dance moves from the above mentioned genres your dance will be fun and unique!

## YOUNG REMBRANDTS DRAWING

Young Rembrandts instructors provide a nurturing and strong learning environment that expands the participants view. See the chart below for the focus of the classes. Participants will learn to draw objects relative to their age and interests. Drawing being the bedrock of visual arts, children will be taught how to draw.

All programs/aquatics include RAS (Recommending a Strategy Surcharge) fee but DO NOT include applicable taxes. No taxes are applied on programs for 14 yrs. and under.

## □ YOUTH

### ACOUSTIC GUITAR

In this introductory program, participants will learn proper handling of a guitar, basic theory, timing, strumming, reading music, and chords. The remaining weeks will focus on songs of your choice from genres including punk, rock and folk music.

### COOKING CLUB

Learn how to prepare and enjoy delicious meals each week with friends. Participants will take recipes home and show off their new culinary skills.

### HIP HOP

If you love to dance, you will enjoy this fun, fit, program for youth featuring the latest Hip Hop tunes and moves.

### PERCUSSION DRUM

Find the beat through percussion drumming. This beginner class will teach participants the basics associated with timing and techniques in a fun environment.

## □ ADULT

### ACTING

This exciting program is designed for all adults interested in performing on stage regardless of their experience. It

will include many aspects of theatre arts including, scene study, improvisation, team building, voice projection, and directing skills. The foundation of skills we learn will lead to a final performance where friends and family are welcome to attend.

### BELLY DANCING

Belly Dancing for Art & Exercise will keep you slim and trim. It is aerobic and tones muscles you never knew you had. In this ladies only class, you will learn to shimmy and vibrate your hips, while learning the camel's walk, figure eight and the shimmy.

### CALLIGRAPHY

Calligraphy: a visual expression of words, this art form will add a personal touch to any occasion. Using a dip pen and ink, you too, can learn this beautiful way of writing. A \$15 material fee will be collected by the instructor the first night.

### DANCING WITH ELEGANCE FOR BEGINNERS

This class will teach the very elegant slow waltz, a staple for weddings and other social occasions. You will also learn the basics of the fun, light and fast ballroom technique of the Quick Step. Bring soft shoes and prepare to enjoy yourself.

### DRAWING FOR ADULTS

Have you ever thought, 'I wish I could draw'? Focusing on your ability to render what you see, you can learn basic drawing techniques, using real objects. Learn the medium of charcoal, conte sticks, drawing ink and pastel. A \$15 material fee is to be given to the instructor at the 1<sup>st</sup> class.

## WATERCOLOUR PAINTING

Through various techniques and experimental ideas, you will be taught how to improve your composition skills to create bolder, more dynamic paintings through the use of colour, contrast and shapes. Frequent demonstrations, personal assistance and critiquing will be provided. Materials not included.

## INCLUSION

*These programs welcome participation by everyone! Additional support is provided for individuals with special needs. Details for registration are featured on page 60.*

## DRUMMING FOR EVERYONE

This interactive drumming program will harness each person's creativity and individuality in a safe, supportive, and encouraging environment. Participants will play a variety of African Hand Drums and World Percussion Instruments, exploring and expressing rhythm through drumming, body percussion, voice, and music. No previous musical experience is necessary to participate.

## CABARET CLUB

Love to laugh, sing, dance and act? Take this opportunity to develop your talent and participate each week in different types of acting. Participants will work each week towards a final performance video at the end of the session. All abilities are welcome.

## STEPPING STONE DANCE

Participants in this program will learn the latest of hip hop, jazz and creative moves and steps at a comfortable pace! Building dance routines, the participants will be taught by trained and encouraging staff and volunteers.

## WHEELCHAIR DANCING

This introductory program will include pair and solo work as participants learn wheelchair partner dancing. Styles include ballroom, Latin, country line and more! Meet new friends or bring a guest. Wheelchairs are available for use. Aabled partners welcome at no additional fee.

## SENIORS

### ACRYLIC FINE ART (BEGINNER)

Love acrylic art but don't know where to start? This beginner course includes lots of personal one-on-one instruction. No drawing skills or previous painting experience necessary. You will learn to use acrylic paints in an easy step-by-step approach. A list of supplies is available in the SMP office.

### ACRYLIC FINE ART (INTERMEDIATE)

This course is open to artists with at least one year of painting experience at our beginner level. You will continue to learn about composition, perspective, and knife/brush work as you complete several landscape, floral and wildlife paintings from photographs. A list of supplies is available in the SMP office.

## LIFE WRITING - SENIORS

Everyone has a story to tell. Bring a paper and pen to this free program which will help you capture stories from your life on paper for your children and grandchildren to enjoy. You will write one story per week and bring to the group to share, if willing.

## LINE DANCING (BEGINNERS)

This class is a great starting point for those who wish to learn line dancing. Social dance steps will be taught to popular music in a relaxed atmosphere with an emphasis on fun filled exercise. This class is great for men and women of all age groups.

## LINE DANCING (INTERMEDIATE)

Students at this level are competent dancers that have already completed the beginner and progressive levels. This class offers higher level intermediate dances with more twists and turns. It is a popular class with men and women of all ages.

## LINE DANCING (PROGRESSIVE)

Step up to the next level of line dance fun! This friendly class is for those who know the basic line dance steps and want a challenge. Sign up early as this class is very popular.

## PEN & INK ART

You will create art using a permanent black ink pen, watercolour paper and a pattern reference. Then, by adding colour to your final picture with water soluble paint, you will create your own individual pieces of art. You will also learn about colour, value, tonality, perspective, and the basics of composition as well as drawing techniques. A supply list will be available at class, and startup supplies should not exceed \$25.

## SCRAPBOOKING

Tell your family story in photos and with your own words written on each page. Bring in your family photos and learn how to organize them. Create each page of your album in your own style. Heritage is just one theme for your album. You may have photos from a recent trip, activities with grandchildren, or highlights of your retirement years that you want to display in a book. You may choose to explore the use of digital photographs on your computer to create a digital, hard-cover storybook. All materials are available for purchase, if desired. Bring at least 7 to 9 photos to begin.

## SCRAPBOOKING - DROP-IN

Whether you are a beginner or have been scrapbooking for a long time, drop in and enjoy the company of other scrapbookers. This is a great time to relax and pick up ideas from others. Snacks will be provided.

## WATERCOLOUR (BEGINNER)

This beginner program is a great way to introduce you to painting. In a relaxed and supportive atmosphere, participants will create wonderful landscapes and still life images. A list of supplies is available in the SMP office.

## WATERCOLOUR (INTERMEDIATE)

This progressive program is offered to further develop one's creative genius. Our encouraging instructor will illustrate a variety of methods to improve your blossoming artistic skills. A list of supplies is available in the office.

## WATERCOLOUR (ADVANCED)

These tranquil and relaxing programs are ideal for the advanced student, who will concentrate on drawing then painting landscapes, and working from both floral and still life photographs. A list of supplies is available in the office.
